

Slang

Definition - (noun) a type of language that consists of words and phrases that are regarded as very informal, or more common in speech than writing, and are typically restricted to a particular context or people

Synonyms - Jargon, lingo, shoptalk, street talk, vulgarism

Examples -

- can't even- this refers to the moments when someone says something incredibly stupid or you just witnessed the cutest thing and you just can't even... Form a complete sentence.
- Yas - were not quite sure what happened, but the entire internet woke up one morning spelling yes wrong
- Feels - you know that wave of overwhelming emotion that hits you during any Disney Pixar movie? So many feels amirite?
- Dead - similar to can't even, you've probably used dead after seeing/hearing something so ridiculously funny that you die
- Goals - goals can and has been added to pretty much any possibly noun-- friendship goals, relationship goals, hair goals
- Fleek - usually referring to one's eyebrows, fleek is synonymous with "on point"
- Turnt/turn up - turnt up usually refers to how drunk you are or how good of a party it is
- Ship - usually describes fan's approval of fictional or desired romance
- Bae - where do we begin... BAE is equivalent to 2004's boo. It's cringeworthy when couples refer to each other as this.
- Greycation - having your grandparents join your vacation
- Bro-tox - men getting Botox
- Awesomity - the highest state of awesome
- Basic - most used in 2015 to describe a pumpkin-spice-latte-loving girl with an endless Instagram feed of selfies and eternal love for all things trendy
- Lowkey - people say lowkey when they are about to say something they don't want everyone to know about
- Savage - an adjective to identify someone that "slays"

"He's so extra" = "He goes out of his way to go above and beyond!"

"Our squad is on fleek" = "our group of friends is very organized and on top of it."

Jingle-

You trynna be on fleek?

You don't know how to speak!

You got those feels?

You don't even know how to spell forrealz

Lowkey I'm dead

But high key speak English
